Re: *Freedom of Information Act Request*
Facial Recognition Software and Marketing

Dear Mr. Nash,

Our office is in receipt of your Freedom of Information Act request for records and materials related to the solicitation, acquisition, and use of face recognition technology and related software and services. This software or services may be provided by Rekognition, Face++; this request is applicable to these and any other company providing facial recognition services under consideration or contract with this agency. Materials responsive materials include but are not limited to: agreements, bid records, company relations and communications; financial records, marketing records, policy records, training records, use and function records.

At this time, the City of Chesapeake does not use any facial recognition software. Therefore, there are no responsive documents for this request. If I can be of further assistance, please do not hesitate to contact me.

Sincerely,

Deanna J. Powell
